ONESOURCE SUPPLY SOLUTIONS

YOUR ELECTRICAL SUPPLY CHAIN SOLUTIONS PROVIDER

A leading utility-focused electrical supplier and supply chain solutions provider, OneSource Supply Solutions (OSS) supplies electrical materials, control and automation solutions, industrial supply, safety equipment and tools to customers throughout California.

Established in 2010, OSS is a woman-owned diverse business enterprise (WBE). With ISO 9001 certification for quality and ISO 14001 certification for environment, we partner with leading manufacturers and suppliers to provide you with innovative solutions to maximize your efficiency and capabilities. Dedicated to serving our customers as well as our associates and our community, we are committed to the highest standards of quality, service and care.

INNOVATIVE SOLUTIONS YOU CAN USE

We've developed solutions that work for you. We serve as the link between manufacturers and our customers, and by streamlining supply chain touch points we reduce your costs. Some of the solutions we provide include:

DIGITAL SOLUTIONS

A solutions industry leader, we've made ordering and order tracking easier for you

ONESOURCE ONSITE

We set up operations on your site to manage materials, storage and disbursement

POWER SOLUTIONS GROUP

Engineering, take off and product management services for complex projects

ASSEMBLY AND MANUFACTURING

Outsourced subassembly, product modification and contract manufacturing
Electrical and automation product kitting

VENDOR MANAGED INVENTORY

Vendor managed inventory, materials and storeroom management

SITELOCKER

Secure storage and inventory on your site
